## *Our Mission:*

...is to promote the sport of fly fishing among women, to help women meet, network and fish together, to create a friendly, supportive environment where women new to the sport can learn and grow, and to give more experienced anglers the rewarding opportunity to mentor novices.

We serve women anglers throughout the Mid Atlantic region. Our activities include member-hosted day and overnight outings both near and far, educational programs, recruiting events, social activities and a weekly e-newsletter. The news blast contains noteworthy articles and club events, connects women to related local activities and provides a means for members to seek friends to fish with and a way to share their trip adventures and photos. If you're a woman over 18 years of age and interested in fly fishing regardless of your experience or ability level, please consider joining DVWFFA.
